

# Immunisation Practice Workshop

**Date:** Wednesday, 30th June 2021  
8:30am - 3:00pm (approx.)

**Venue:** Novotel Sunshine Coast  
270 Ocean Drive  
TWIN WATERS, QLD, 4564

To apply - [CLICK HERE](#)

**BEFORE BOOKING A WORKSHOP:** Please note, students must complete the Foundations of Immunisation Practice Program (level 1) and the online component of level two before booking a workshop date, if you do not complete the online learning you will not be able to book into a workshop.

The Immunisation Practice workshop develops the skills and knowledges required to implement safe immunisation practices in Primary Care, including system and processes, administration of vaccines and development of catch-up schedules.

The face-to-face workshop involves practical activities involving:

- Cold chain management
- Administration of vaccines in a simulated environment
- Practice and assessment (performed on a mannequin)
- Practical assessment conducted during the skills activity session.

The Immunisation Practice workshop forms part of the level two component of both our clinical and endorsement pathway. For more information on our pathway options [click here](#).
