## Walking Together, Learning Together: Aboriginal and Torres Strait Islander Cultural Competency for Health Professionals

Saturday September 4, 2021  
8.45am registration for 9.00am start - 2.45pm  
Maroochy RSL

### Learning Outcomes

- Discuss and respond to Aboriginal and Torres Strait islander history, with reference to culture, local history and socioeconomic factors that impact health outcomes.
- Describe and define the terms 'cultural awareness', 'cultural competency' and 'cultural safety' and identify key differences.
- Identify barriers and enablers to Aboriginal and Torres Strait Islander people accessing mainstream health services.
- Interpret specific programs for Aboriginal and Torres Strait islander patients in primary care.
- Demonstrate and discuss quality improvements that can be implemented in your workplace to create a culturally safe place.

### Speakers

Gordon Browning: Coordinator, Aboriginal Torres Strait Islander Health, PHN

Juanita O'Rourke: Primary Health Care Officer, PHN

Register online by Thursday Aug 26, 2021: Click [here](#)
