

Date: **Wednesday 22 June 2022**

Where: **CocoBrew, 114 William Street Rockhampton**

Time: **6.00pm – 9.00pm (Dinner provided)**

# GP Antenatal Networking Evening

*The benefits of attending this session:*

## *Learning Outcomes*

- Identify risk factors for 3<sup>rd</sup> trimester stillbirth
- Discuss evidence-based interventions to reduce stillbirth rates
- Formulate a plan to incorporate these interventions into antenatal visits
- Review management of common pregnancy conditions such as anaemia and infections
- Collaborate with peers to identify supports for pregnant and new parents

**Registrations now open** via the Eventbrite link below:
