

Advance Care Planning

In the context of QVAD and Anticipatory Prescribing

Country to Coast QLD invites General Practitioners and Practice Nurses for a dinner education session with Professor Liz Reymond. Topics to be covered include Advanced Care Planning in the context of Queensland Voluntary Assisted Dying Support and Pharmacy Service (QVAD SPS), Anticipatory Prescribing, PallConsult and ACP Support Services.

Professor Liz Reymond, MBBS (Hons), PhD, FRACGP, FACHPM, is the Director of QVAD Support and Pharmacy Service, Director of National *caring@home* projects, Co-Director of Statewide Office of Advance Care Planning, and Co-Director of PallConsult.
