

Walking Together, Learning Together Aboriginal and Torres Strait Islander Cultural Competency for Health Professionals

Saturday, 22 April 2023

8.45am registration for 9.00am start - 3.00pm

Nambour RSL

14 Mathew Street, Nambour Qld 4560

Learning Outcomes

- Discuss and respond to Aboriginal and Torres Strait Islander history, with reference to culture, local history and socioeconomic factors that impact health outcomes.
- Describe and define the terms 'cultural awareness', 'cultural competency' and 'cultural safety' and identify key differences.
- Identify barriers and enablers to Aboriginal and Torres Strait Islander people accessing mainstream health services.
- Interpret specific programs for Aboriginal and Torres Strait Islander patients in primary care.
- Demonstrate and discuss quality improvements that can be implemented in your workplace to create a culturally safe place.
