

EDIE - QLD - MARYBOROUGH - JULY 2026

Wednesday 15 July 2026

This session enhances knowledge of dementia through virtual reality technology that allows participants to see the world through the eyes of a person living with dementia.

You will gain knowledge in:

- the perspective and needs of a person living with dementia
- effective communication
- environmental changes to support a person to live well with dementia.

Not suitable for people with epilepsy, seizures, vertigo or similar conditions.

Suitable for: Family carers and family members of people living with dementia. Not open to paid carers, health or aged care workers as professional development.

When: Wednesday 15 July 2026
11:30 AM - 03:30 PM

Where: Maryborough

Cost: Free

Additional information:

Bookings are essential.

Lunch will be provided.

Venue to be confirmed upon registration.
