

Invitation

Cardiology & Oncology GP dinner meeting

Tuesday 23rd March, Maleny

Cancer and cardiovascular disease are the largest two disease burdens in Australia.

Join us for dinner and an update on:

Radiation oncology and primary care – Dr Bradley Wong

- Treatment for Non Melanoma Skin Cancer, benign conditions and palliative radiotherapy
- Common radiotherapy side effects and management

Heart failure – Dr Umesh Sinnya

- Diagnosis and management of heart failure
- Dr Sinnya will also outline the details of a RACGP accredited patient audit (40CPD points) which is available to assist in the identification of patients at risk of heart failure.

Details:

When: Tuesday 23rd March, 2021 from 6pm

Where: Tranquil Park, 483 Mountain View Road, Maleny

Please RSVP to Rebecca Kavanagh by 16th March
