

The Pharmacy
Guild of Australia

QUEENSLAND BRANCH

Suicide Prevention Education & Training

Understand how you can help in early suicide prevention with the free **Conversations for life®** and **Stronger Smarter Yarns for life®** training programs.

These training programs are open to both community pharmacy staff and members of the public.

The integrated training sessions aim to promote community connections and social inclusion whilst reducing stigma related to mental illness.

Register today to attend a complimentary training workshop alongside staff from your local pharmacy.

Visit www.guild.org.au/qldsuiicideprevention to find out more about this training.

Limited spaces are available! Speak to your local pharmacy staff members on how to secure your spot in a training workshop.

This Suicide Prevention Education & Training was jointly funded by the Australian Government and Central Queensland, Wide Bay, Sunshine Coast PHN

Proudly supported by:

Conversations for life®

This half-day workshop will enable you to be more ready, willing and able to have early conversations with people who are not coping or becoming overwhelmed.
