

**Thurs 21 Sep, 2023  
7:30PM-8:30PM  
AEST**

**Do you know how to adjust kidney  
cleared medications for an  
individual with CKD?**

Pharmacist Advance, Carla Scuderi will outline the steps required to confirm a CKD diagnosis as well as advise what medicines slow the progression of CKD while reducing the risk of CVD. Practical tips on how to utilise the eGFR to adjust medication dosing will also be discussed.

**Medications for  
Chronic Kidney  
Disease**
