Activity Priorities and Description

Program Key Priority Area *

Aboriginal and Torres Strait Islander Health

Other Program Key Priority Area Description**Aim of Activity ***

Improve health outcomes for Aboriginal and Torres Strait Islander people with chronic health conditions through better access to care coordination, multidisciplinary care, and support for self-management.

Description of Activity *

The PHN will continue to contract providers to deliver care coordination and supplementary services.

Support will continue for cultural healing, self-determination and self-management initiatives across the region to improve cultural capability and long-term community resilience.

The PHN will also continue to collaborate with local Aboriginal and Torres Strait Islander health services and mainstream health services in a partnership approach to primary care service development, implementation and management.

Continued updating and management of HealthPathways will ensure relevant and appropriate information is available for ITC providers and general practice referrers and promote continuity of care pathways.
