

MEDIA RELEASE

28 July 2023

Collaborate with health professionals and participate in Clinical Societies hosted by your local Primary Health Network

Country to Coast, QLD (CCQ) is an independent, not-for-profit organisation that delivers the Primary Health Network (PHN) programs on behalf of the Commonwealth Department of Health and Aged Care. Through needs-assessment of our community, we commission leading health services and coordinated care for our region.

Julie Sturgess, Country to Coast, QLD CEO is looking forward to the CCQ team hosting the face to face health professional networks across the Central Queensland, Wide Bay and Sunshine Coast regions, and bringing the health community together.

"Local clinical connections are more important than ever. We welcome all health professionals and healthcare workers and students, working in primary care, general practice, allied health, community health, Aboriginal health, hospital, aged care and pharmacy settings to these events".

"The theme for the initial region round of nine clinical society events during August and September across the CCQ region is, *Strengthening Pathways - Dementia: A localised approach*. Each event will include speakers, local insights and an energetic space to share and collaborate."

Sunshine Coast, September event dates:

- [Gympie Clinical Society](#): 5 September, 5.30 pm
- [Noosa Clinical Society](#): 6 September, 5.30 pm
- [Nambour Clinical Society](#): 12 September, 5.30 pm
- [Caloundra Clinical Society](#): 13 September, 5.30 pm

Regional clinical societies play a crucial role in nurturing practitioner relationships by offering a platform where the primary healthcare workforce can unite, forge new friendships, network, acquire fresh knowledge, and enjoy collaborative and enriching experiences in a space dedicated to sharing insights.
