

Wide Bay Public Health Unit
Practice Nurse 'New to Immunisation'
Education Session

(offered free monthly)

Target Participants:

- for **Nurses from General Practice** who are new to immunisation and are required to provide immunisation services within their workplace

Content:

- Immunisation basics, Immunisation Schedule, Vaccine Cold Chain Management and Data Management

TUESDAY 21st February 2023

From 12.30pm to 3.30pm

This education is presented via Microsoft Teams

- This session is FREE to attend. However, YOU MUST REGISTER in advance to link in via Microsoft Teams.
- The participant **will need to collect from the PHU a resource folder in advance of this session**. You will be advised when to collect – usually from Thursday before.

You will receive an initial email to confirm the registration, and another email mid-week the week prior to the session with details about folder collection and the upcoming Teams education event.

NOTE: Registrations must CLOSE Tuesday 5PM in the week prior the session [16th February].
