

How to view MBS items through My Health Record in Medical Director

1. From within a patient record click the My Health Record menu item
2. Once the My Health Record screen opens click the Show Medicare Records tab

3. Click the Document filter
4. Make sure the Medicare Overview items are selected and click OK

5. Select one of the Medicare Overview documents
6. MBS item number details should be visible in the document

My Health Record for IHI: 8003 6080 0004 5922

This is not a complete view of the individual's health information. For more information about the individual's health record or data, please consult the individual or other

This patient has an active My Health Record to which you have access.
